

Educational Visits - Key Information for parents / carers

Please make sure you have read and understood the following before you commit to applying for a place for your son/daughter on this trip. Please confirm that you have read this document by ticking the relevant box on the online reply slip.

Dietary and Medical Information

We require dietary and medical information about your child for health and safety reasons. This will be treated in the strictest confidence and should include any special dietary requirements e.g. vegetarian, allergies etc. as well as medical information e.g. diabetic, asthma, etc. If you did not complete a Data Form when your child joined the school, please email dataoffice@wilmslowhigh.com. As part of the consent process, you will be asked (using an online form from 'Evolve') to confirm that the contact and medical details we hold on our system for your child are correct.

Cancellation Policy

The initial deposit for school visits is non-refundable and non-transferable. Should you wish to cancel your child's place, you will be liable for all non-recoverable costs (for example, any further non-refundable amount paid to the travel company) together with any administration fees linked to the cancellation.

Student Participation

All students taking part in the visit will be expected to abide by the code of conduct adhered to all times in school. Please note that if there is a concern regarding a student's behaviour or attitude at school, the school reserves the right to decide if it is appropriate for a student to be included on a visit. See below for our general Code of Conduct on the next page. Nearer the time of the visit / event, the trip leader will outline with students any code of conduct points specific to the trip.

Contribution Level

The contribution for the visit is calculated to match as far as possible all known and expected costs, with a small level of contingency to cover minor fluctuations in or unexpected costs. In the unlikely event of material changes to expected costs which exceed the contingency, or to the proposed main elements of the visit, it may be necessary to contact and consult with parents on a revised contribution level. Uncommitted funds remaining in the visit account at the end of the visit will be considered part of the contribution to the school's administrative costs of arranging the visit.

Insurance

The school buys back insurance cover for educational visits through the Department for Education's Risk Protection Arrangement (RPA). Details of cover are available to view [here](#) (see especially the Summary of Cover on pages 5-6 and the educational visit sections on pages 72-95). If parents / carers wish to take out additional insurance cover to supplement this, they are free to do so.

PLEASE NOW READ THE CODE OF CONDUCT ON THE NEXT PAGE

CODE OF CONDUCT (not all points will be applicable to every visit)

Failure to comply with this Code of Conduct will result in the implementation of appropriate sanctions and students may lose privileges, be withdrawn from activities and may be sent home early. The school also has the right to ask parents to collect a student from a trip if it is felt that he/she cannot continue with the group.
